Offg Comptroller reports that the sum of Rs 1-0-6 due from Mr. S. Ramaswamaiengar has been recovered and credited to Govt.

In the matter of the amounts due by Messrs C. A. Manjappa and P. S. Achyuta Rao, the Offg Comptr states that the Senr Surgeon has proposed that the amounts may be recovered from them by a monthly deduction at 20% of their pay, and that in regard to the recovery of the sums due by the remaining 4 Officers, the Senr Surgeon has written to them stating that he has made a reference to the Dewan.

Note - Nothing has been received in this office - 2/4

In these circumstances the Officiating Comptroller wants to know whether he may adopt the rate of 20% of pay proposed by the Senr Surgeon, or the rate fixed in clause 3 of article 16 of the Civil Account Code, Vol I, Vol I, viz. 1/3rd of salary as the instalment to be recovered from all the Med. Officers towards the repayt of the amounts due by them.

A printed copy of the Sub: in Mr Fernandes' case is put up for reference

The representation said to have been made by Col: Benson to the Dewan was not sent through the Office.

As regards the rate at which recoveries have to be made, the rule of the Account Code cited by the Comptr is — "Recoveries are ordinarily made at a rate exceeding one-third of salary" &c. This shows that Govt may go any rate below ⅓d.
I think that the rate recommended by the Senior Surgeon, viz ⅕th or 20 per cent is fair and may be approved
